

Form for reporting illegal content in accordance with Regulation (EU) 2022/2065 on a Single Market for Digital Services and amending directive 2000/31/ES (Digital Services Act)

You may use this form to report illegal content within the meaning of the Digital Services Act as a part of the provision of hosting service. Please be aware that your report must fulfil the elements set out in article 16, paragraph 2, letters (a) to (d) of the Digital Services Act in order for us to be able to respond to such a report. If the report does not fulfil these elements, especially taking into account your sufficiently substantiated explanation of the illegality of the content in question and its exact location, we will not be able to satisfy such a report. If you provide your email address, we will be able to inform you of the decision relating to your report or communicate with you in order to supplement or clarify such a report. Please complete, save, and send the form as an attachment to the email address abuse@vshosting.cz.

First name and surnames, or full name of the legal entity of the reporter ¹

email address of the legal entity of the reporter ²

the exact URL or URLs containing the information the reporter deems to be illegal

further information to help identify the illegal content (e.g. the name of the person or organisation on whose cloud storage the illegal content can be found, identification of a specific cloud storage location etc.)

a detailed explanation of the reasons for which you deem the information in question to be illegal content

¹except in cases where the information is deemed to constitute one of the criminal offences listed in articles 3 to 7 of Directive 2011/93/EU

²except in cases where the information is deemed to constitute one of the criminal offences listed in articles 3 to 7 of Directive 2011/93/EU

³By sending this request to the abuse@vshosting.cz email address, I confirm that the information and declarations contained in this request are accurate to the best of my knowledge and that I am aware that the deliberate submission of false information, for example for the purpose of damaging a third party, may be considered an illegal act resulting in, for example, liability for any damages caused.
